We are a record label based in Switzerland. Our music, from artists from all around the world, is released on the internet for free. That's why some might call us a netlabel. On occasion we like to step away from our typewriters and get down.

### **Mittelmass Variationen** by Volta Vital

It has been on our minds for a while, and now it's done: We remixed a complete Interdisco album. Six old and new Interdisco artists went to town on Volta Vital's Mittelmass EP. [DOWNLOAD](#)

### **Veer** by Preslav Literary School

We're very excited to introduce you to the Preslav Literary School. Preslav's ambient drones are an offer of peace and tranquility. Veer is disarmingly heartfelt and has an emotional intensity which leaves you with goose bumps and a deep feeling of sobriety.

### **Did You Ever Try to See? (Pt. 2)** by Christian Walt

As promised here's the second part of Christian Walt's "Did You Ever Try to See" album.
